

SMART Notebook® Maestro quick start guide

About the SMART Notebook Maestro add-on

The Maestro add-on for SMART Notebook connects SMART Notebook software and the SMART Notebook app for iPad.

With the Maestro add-on, you can:

- Quickly connect the SMART Notebook app for iPad to SMART Notebook software via Wi-Fi
- Remotely control and interact with lessons from the SMART Notebook app on your iPad
- Write notes and manipulate objects on the SMART Notebook app for iPad and watch your work appear in the SMART Notebook lesson you're presenting on your SMART Board® interactive display.

Requirements

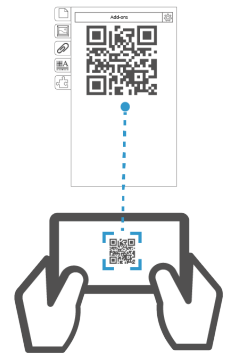

Maestro requires an active subscription to SMART Learning Suite, which includes SMART Notebook, and the SMART Notebook app for iPad.

Download and install the SMART Notebook Maestro add-on

1. On your computer, open a browser and go to education.smarttech.com/en/products/notebook/maestro to download the SMART Notebook Maestro add-on.
2. Run the downloaded **notebookmaestro.addon** file. When SMART Notebook opens and prompts you to confirm the installation, click **OK**.
3. Click **Done** to close the *Add-on Manager*.
4. In SMART Notebook, open the *Add-ons* tab and click **Notebook Maestro**.
5. Click **Enable Maestro**, then restart SMART Notebook to enable the connection.

Connect Notebook Maestro

1. Make sure the computer running SMART Notebook and your iPad are connected to the same network.
2. In the SMART Notebook for iPad app, tap **Connect to SMART Notebook software**.
3. In SMART Notebook, open the Notebook Maestro add-on.
4. Scan the QR code with the SMART Notebook for iPad app.

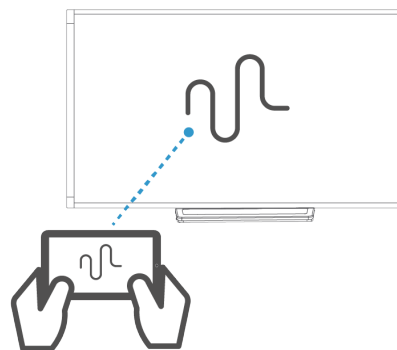

TIP

If you have issues connecting, reset your iPad's network settings by opening the iPad's settings, then select **General > Reset > Reset Network Settings**.

Use the SMART Notebook for iPad app to control your lesson

After you've connected to your SMART Notebook lesson, use the app to control your lesson.

TIP

SMART Notebook for iPad includes a tutorial that shows you how to use the app.
